

RETHINKING WASTE-MANAGEMENT AND RECYCLING THROUGH CIRCULAR BUSINESS MODEL

Thursday, 15 April, from 10:00 to 15:00

Join us in creating a common vision for the future to unleash the potential of Southeastern Europe through the up-coming Multiannual Financial Framework 2021-2027 of the European Union. By making every voice count, the weBuildBackSmart initiative will not only facilitate a much needed platform for forming future consortiums in the field of green, smart and digital initiatives, but also foster a much needed debate on the economic and social future of Europe.
